Family Open Day Breakfast

One of the first initiatives this year was our Parent Open Event in Term 1. In previous years, we were a little disappointed by the level of engagement. However, this year, we made a small yet impactful change: we shifted the event to the morning and transformed it into a breakfast rather than holding an evening BBQ. The results were beyond our expectations! We saw a significant increase in attendance, surpassing our goal of a 5% improvement. In fact, most students had a family member attend, visit their classroom, and meet their teacher. A big thank you goes to our hardworking P&C committee, who generously volunteered their time to cook egg and bacon rolls and sell hot drinks during the event.

About Our P&C

We are incredibly fortunate to have such an enthusiastic and dedicated P&C committee. Our core committee includes:

- Christina Pech – President
- Lea Williams – Vice President
- Sam Blechynden – Secretary
- Renae Bowring – Treasurer

In addition to the office bearers, we have a wonderful group of regular volunteers who help keep our events running smoothly.

The P&C kicked off their year with a productive meeting and is excited about the following plans:

- Cookie Dough Fundraiser
- Cash for Cans collections
- Winter Uniform – Uniform Shop Open Day
- Canteen every Thursday
- Mother's Day Raffle (including wood raffle)
- Nature Playground Busybee
- Lunchbox Snacks Recipe Book for Brookton DHS (production and sale)
- Food stalls for the Faction Carnival and Interschool Athletics Carnival in Term 3
- Cocktail Night in October

Important Dates

Every Thursday

Principals Address Continued.....

The P&C plays a crucial role in raising funds for the extras not covered by our general budget. Thanks to their efforts, every playground at the school was built through P&C fundraising and busybee activities. In the past, they've contributed to purchasing bikes and toys for the early childhood area, books for classroom reading spines, and keyboards for classroom sets of iPads

Please consider joining the P&C and being involved in your child's school community. Not only are they an invaluable group for our school it is also a fantastic way to get to know more members of our school community.

Shining a light on our Volunteers

Here at BDHS we are so lucky to have helpers and volunteers at every turn. Our community really is one of the greatest and this week we wanted to shine the light on the Nelson family. Stephen & Megan Nelson have for years supplied the set up and pack up, and the light tower for presentation night. Each year they quietly commit their time and light tower without fuss and acknowledgment. Thank you from the BDHS community for the work that you do to help make out presentation evening what it is.

WE INVITE ALL COMMUNITY TO
