## Newsletter Edition 4 Brookton District High School

### Principals Address

#### Faction Carnival

Seabrook won the Faction Swimming Carnival last Friday however the most impressive display was the resilience, sportsmanship and compassion of the Brookton students who attended the carnival. Several students were asked to participate in events above their age range to fill a spot and earn points for their faction, and they did so willingly. No doubt they slept extremely well the night of the carnival.

We were touched to see our students cheering on some of our less confident swimmers right until the end of their lap. We were proud of the students who stepped out of their comfort zones to have a go in the swimming events. We were thrilled by the effort students put in to achieve to the best of their ability.

Thankyou to the families who came to support our students, it was a very warm day so we were very appreciative of your support. Thank you to the parent volunteers who helped out on the day, carnivals can not function without you.

The parents vs staff vs students relay race was hotly contested again this year. Two parent teams challenged the staff team, high school team and primary team. While there were a few raised eyebrows about Mr Sheridan's handicapping system the high school team were clear, and deserving, winners.

Attached to the newsletter is the list of individual award winners, a special mention to our two record breakers Lachlan Rushton and Erin Pepper.
